This form is being filed with the FEC to advise you that the Maine Republican Party, Identification Number C00003111, wishes to change its filing status for the year 2005. Due to the anticipated lack of FEA activity for this year, we will be filing Quarterly (which actually means semi-annually this year) for the year 2005. Please advise if this presents a problem for the Federal Election Commission.

Thank you.

Phillip Roy, Treasurer
